

Care to Share?

Introducing O-I's flexible new 500mL wine bottle range, designed to suit several varieties and occasions.

Specifically created to provide a new sizing option, the 500mL bottles are perfect alternatives for sharing moscato, lightly spritzed, sparkling and still wines.

The Claret and Burgundy 500mL bottles have a pressure rating of 3g/v and the Sparkling option is rated to 7g/v - providing great flexibility in their end uses.

Contact your O-I salesperson or O-I customer service for more information.
