

Flint. The advantages are clear.

O-I is the leading supplier of glass wine bottles in Australia, with a strong focus on delivering excellence, quality and service. We are dedicated to innovation in packaging that anticipates consumer demands.

With aromatic wines growing in popularity, we are expanding our flint range of bottles to support this growth. Flint allows the naturally appealing colours of white, rosé and light red wines to speak for themselves, enticing consumers and creating an attractive shelf presence.

O-I is committed to offering a broad range of products to meet the diversified needs of the wine industry.

The new Flint Claret BVS bottle, weighing just 400 grams, is also part of our ongoing commitment to environmental sustainability.
